Map of Tulita for newcomers!

There is many places to walk or visit to talk to people. You can walk along the Two Rivers Trail located past the Parks Canada Trailer Building. You can walk through the town, as well as towards Plane Lake Dr to the airport and from Water Intake to the Gas Station. You can walk along the shore, all the way to the bank where the boats load off and where the Barge stops.

Funny Stories

Pronunciation

A husband and wife were driving through Louisiana. As they approached Natchitoches, they started arguing about the pronunciation of the town. They argued back and forth, then they stopped for lunch. At the counter, the husband asked the blonde waitress, "Before we order, could you please settle an argument for us? Would you please pronounce where we are very slowly?" She leaned over the counter and said, "Buuurrrr-gerrrr Kiiing."

Bugs

A boy asks his father, "Dad, are bugs good to eat?" "That's disgusting. Don't talk about things like that over dinner," the dad replies. After dinner the father asks, "Now, son, what did you want to ask me?" "Oh, nothing," the boy says. "There was a bug in your soup, but now it's gone."

Trainer

An old man is losing a bar fight to a group of young punks. While on the ground, he kept yelling, "My won will kick the crap out of you

guys! He is a Mermaid Trainer!" Every one laughed as he crawling out of the bar. The next day, a group of tough guys come to a bar and beat the shit out of every guy who was involved in last night's fight. The old man came to mock, "See! I told you that my son's a Mermaid Trainer!" His son says quietly to his dad, "How many ties do I have to tell you, it's SEAL, not mermaid!"

Connection

A 90-year-old man goes to the doctor for his annual check-up. Fifteen minutes later, the doctor says, "Your health is good physically, but what about mentally? How is your connection with God?" The old man replies, "Me and God are tight. We are in a real connection. He has even fixed my eyesight for me! Whenever I got to the bathroom to pee, the light turns on and when I exit, the light turns off!" The doctor, astonished, calls the old man's wife and says, "Madam, your husband's physical health is good. I'm calling as I'm surprised with his connection to God! Is it true that when he goes to the toilet to urinate the light turns on and when he exits, the light turns

off?” The wife says, “Stupid Robert! He’s been peeing in the fridge again!”

Listening

Two cowboys come upon an Indian lying on his stomach with his ear to the ground. One of the cowboys stops and says to the other, “you see that Indian?” “Yeah,” says the other cowboy.

“Look,” says the first one, “he’s listening to the ground. He can hear things for miles in any directions.” Just then the Indian looks up.

“Covered wagon,” he says, “about two miles away. Have two horses, one brown, one white.

Man, woman, child, household effects in wagon.” “Incredible!” Says the cowboy to his friend. “This Indian know how far away they are, how many horses, what colour they are, who is in the wagon, and what is in the wagon.

Amazing!” The Indian looks up and says, “Ran over me about a half hour ago.”

Drinking

Peter loves to drink at the local bar, but his wife disapproves of this. One night, he’s at the bar and he gets extremely drunk. He tries to stand up, but immediately falls to the floor. He tries this a few more times, but each time he falls to the floor. People offered to help him, but he said no each time. He finally ended up dragging

himself home and sneaking into bed, thinking his wife would never catch him. The next morning, Peter’s wife says, “Pete, you bloody worthless idiot! You were at the bar last night drinking again!” Peter was confused. “How did you find out?” “The bar called. You left your wheelchair there.”

Two Wives

Two wives were chatting in the office. “I had a fine evening, how about you?” “It was a disaster. My husband came home, ate his dinner in 3 minutes and fell asleep in minutes. How was yours?” “Oh, mine was amazing! My husband came home and took me out for a romantic dinner. After we walked for an hour. When we came home, he lit candles around the house. It was like a fairy tale!” At the same time, their husbands were talking at work. “How was your evening?” “Great, I came home, dinner was on the table, I ate and fell asleep. What about you?” “It was horrible. I came home, there’s no dinner and they cut the electricity because I forgot to pay the bill; so I took her out for dinner which was so expensive that I didn’t have money left over for a cab. We walked home which took an hour and when we got home, I remembered there was no electricity so I had to light candles all over the house!”

Chief Albert Wright News

New logo reveal for the Chief Albert Wright School which had a little voting contest on Facebook Tulita Buy, Sell, and Trade and many voted for the colourful wolf! It looks great and we hope to see it more on the students who represent our school and on team clothes!

With the help of Josh, one of the Chief Albert Wright's Land & Culture Coordinators, the *naiweza* students set up some trap lines. They caught their first rabbit around the middle of February!

The students and staff at CAWS enjoyed an amazing day at the Paramount/MGM

camp last week. They would like to say mahsi cho to Paramount/MGM and supporting companies; HRN Contracting, Willow Lake Slashing, Canol Oilfield Servicesm Cornerstone Oilfield Servies, Horizon North Catering, Precision Drilling, Trojan Medics. Apologies for any companies that were forgotten to mention. Thank you all for creating a road and giving the opportunity for our students to make a field trip and experience a worksite that has many potential

careers. Here are some pictures of the day, most of what you'll see is Candace showing us what it is like to be a medic on an oil field. Also thank you to Archie for piloting our convey to the camp!
